

Money Saver Benefit

_____ knows your pay is important and provides for your (and your family's) needs. One way we can help is to assist you in keeping living costs as low as possible. The "Big Five" expenses are home, car, food, taxes, and insurance. Insurance premiums make up a large portion of monthly expenses.

To help you keep costs down, allow access to high quality insurance, and provide trusted advice, we have arranged for a representative of The Insurance Center Group to meet with you **on company paid time.**

To qualify you must agree to meet with the representative and provide insurance information. Generally, the more policies reviewed, the more savings possible. Please bring the policy or declarations (dec) sheet* for the following.

_____ Home or Renters	_____ Health
_____ Auto	_____ Life
_____ Motorcycle	_____ Disability
_____ Recreational Vehicle (ATV, boat, camper, etc.)	

To maximize your savings please find anything and everything you have (insurance files, policies, annual reports, etc.) and bring them with you. The representative will meet with you to review your information, ask questions, and determine the next best steps to help you.

The average employee can expect to save up to \$500!

That's equal to a 25-cent raise!
